a) Parents are encouraged to check on their children, ask questions, and stayed engaged. Students will do best when parents are engaged.

Students need to sign up with the teachers or on the paper outside classrooms on the day before PLT. Teachers will take attendance. Gr. 8 and 9 students are temporarily not allowed to stay in the library in order to help them adjust to PLT.

f) AI use must be appropriate. Plagiarism is strictly prohibited.

g) Final grades for all courses that are Gr.10 and higher will go on transcript. Students collect credits from these courses toward graduation requirements. Students may take courses that are higher or lower level than their current academic year.

h) Sports Team has started. Students are encouraged to do something outside classrooms. Joining sports team or club help students stay connected with friends and create lasting memories. Universities favor well-rounded students.
